My dear Mr. Cole:

Mr. Robert W. DeForest has given me your address and advises me that I can learn from you as to whether it will be possible for me to obtain copies of the following medals for my collection here:

1. The medal issued in 1915 commemorative of the One Hundredth Anniversary between English-speaking people.
2. Medal issued in 1917 to commemorate the visit of the French and British War Commissioners to the United States.
3. Medal issued in 1917 for the dedication of the Lafayette Monument in Prospect Park, Brooklyn.
4. The medal designed by Allen G. Newman commemorating the Fourth of July, 1918.
5. The medal issued to commemorate the Peace of Versailles.

I am very anxious indeed to obtain copies of these medals, if it is within the bounds of possibility. Will you kindly advise me whether copies may still be had of any or all of them?

I shall be greatly obliged by your courtesy.

Yours very sincerely,

Th. E. Green

Dear Sir:-

Of the five medals listed in your letter of June 20th, we are able to supply only one of these, and that the one issued to commemorate the Peace of Versailles. We have a silver specimen which sells at ten dollars. The bronze copies are exhausted.

You might write to Dr. George F. Kins, c/o Tiffany & Company, 401 Fifth Avenue, New York City, to find out if there are any copies left of the medal issued in 1915 commemorative of the One Hundred Anniversary between English-speaking people.

Very truly yours,

Curator.

Dear Sir:-

Your letter of June 23rd enclosing cheque for ten dollars has been duly received, and the silver medal commemorating the Peace of Versailles was forwarded to you yesterday, and I trust will reach you in good condition.

You ask us to put your name on a mailing list so that you may know when medals are being issued by this Society. We do not have such a list as subscriptions to such medals are open only to our members, but in this particular case of the Peace Medal we made allowance.

Should you care to become an associate member of this Society we would be very glad to have you sign the enclosed card. The dues are but five dollars a year, and besides having the privilege of subscribing to medals, you are sent our publication, "Humane Notes & Monographs", free.

Trusting we may have the pleasure of hearing from you again, I am,

Very truly yours,

Curator.

You were good enough to say that you were
enclosing a card - presumably an application for associate
membership. Your secretary failed to include the card which I
should be very glad to have you send me.

Dear Dr. Green:

Herewith I am sending your bill for
1927 dues.

I find on examination that your dues
for 1926 have not been received. This is doubtless an
oversight. We should be very sorry to lose you from
our list of members. May I not have a word from you?

Dear Sir:

In going over our records I find that your dues as a member of this Society have not been paid either for 1926 or 1927. I am hoping that this is an indication of some oversight on your part and that it does not mean that you wish to have your connection with our Society severed. Will you be so good as to let me hear from you?

Very truly yours,

Dear Sir,

At the meeting of the Council of the American Numismatic Society held on January 13, 1928, a list of those whose dues have not been received for the years 1926 and 1927 was submitted. Your name was among these. I was instructed to inform you that as we have received no response to repeated requests, your name is hereby dropped from our list of members.

If, for any reason, this lack of response is unintentional and you desire to be reinstated as a member, I should be very glad to have word from you to that effect.

Yours truly,

My dear Mr. Noe:

I have your note of the 19th of January informing me that my name had been dropped from your list of members on account of non-payment of dues. I wrote you early in 1927 asking that my name be dropped, as I was compelled to cut down on the number of organizations in which I was interested but in whose activities I could not any longer cooperate,-- if for no other reason, from a financial one.

In the early summer of 1927 I was taken seriously ill and was upon leave of absence from Washington until the first of October and have had to slow up along every line of my former activity.

I am sorry if I failed to respond to any communication you may have sent me during my absence, but things were rather largely at sixes and sevens.

With best wishes for the Society and yourself,
I am
